...let the Camp Timbers staff help you ...

The success of our program is due largely to our competent, and highly qualified staff. Each staff member is committed to providing groups the best program they can possibly give. Our staff is highly trained and certified where applicable, and are specialized in the different activities that we offer at Camp Timbers. Many of our camp staff are former Camp Timbers campers, now pursuing education, social work or recreation degrees.

-you make your own schedule...

Do as little or as much as you please. Curl up by the fireplace to read a book, or bike the trails around the 300 acres that we call Camp Timbers. Starting from the moment you arrive at Camp to when you leave, you can choose from a variety of social to physically challenging activities that you and your family can do together.

Remember - Camp fills up quickly. Register Now to reserve your spot!

Option A: Sharing cabins, the cost of the weekend is \$65 per adult and \$50 for children ages 3-18, and \$25 for children 0-3. We will match you up with another family.

Option B: Reserve the whole cabin (12 limit bed space) for \$575, and fill it with family & friends that you know. If you fill all bed spaces, the cost for the weekend is roughly \$48 per person.

*** Prices include all meals, snacks, lodging and all camp program activities.**

During your three night stay with us, you will be lodged in one of our 14 beautiful, rustic cedar cabins. Each cabin is winterized and contains its own built-in comfortable bunks. But don't forget to bring your own bedding, pillows and towels. Showers are separate men's and women's shower houses. Family campers have two housing options to choose from. You can't go wrong with either choice!

Stay in our beautiful cabins...

This is how we can make your Family Weekend 2009 a great one
